INTRODUCTION

The **Directory of Nova Scotia Libraries** is a comprehensive listing of libraries and archival institutions in Nova Scotia compiled annually by the User Services Section of the Nova Scotia Provincial Library.

The entries in the directory are arranged alphabetically by organization name. Appendices include: a detailed index, a listing of National Library Codes, an address listing of local and regional library associations, school boards, career and learning resource centres.

Libraries and archival institutions in the province are surveyed annually to keep this directory current.

The directory is available as a searchable database and in PDF format at **http://dnsl.ednet.ns.ca/**
